IDENTIFICATION

All athletes must show their accreditation cards with a photo; without this card an athlete cannot compete.

COMPETITION RULES

- Each city may register a maximum number of 8 girls and 8 boys (16) and a minimum of 2 girls and 2 boys (4).
- Maximum 2 athletes from each team are allowed to participate in one event.
- Each athlete may compete in two events and in the 4 x 100m Relay.
- Girls running 800m and boys running 1500m are not allowed to compete in any other discipline the same day of their middle distance competition.
- Athletics events: 100m, 400m, 800m (girls only), 1500m (boys only), long jump, high jump, shot put, 4x100m relay.
- Number of coaches: one coach per team. If a team of Track and Field Athletics consists of 10 and more athletes, two coaches are allowed. In this case, the total number of coaches per city should not exceed the maximum number allowed (4 coaches per city).
- Personal best performance from each athlete will be required during registration for seeding purposes.
- Uniforms: Athletes must wear the uniform of their city.
- Competition numbers (bibs) will be given after Technical Meeting to Team Managers/Coaches, who will be responsible for issuing bib numbers to all athletes in their team. The competition numbers must be worn firmly attached to the front and the back of the uniform with no less than four (4) pins so that the entire number and logo can be easily seen. No part of the number can be folded.
- Hip numbers will be provided by an official at the start of events requiring them.
- If an athlete fails to scratch from an event after confirmation, she/he may not be permitted to compete in any other event in the Games including relays (See IAAF Rule 142.4).
- The competition will take place according to IAAF Rules and ICG Rules.

CALL ROOM

- There will be a Call Room in operation(Appendix 1 and 2).
- All athletes must report to the Call Room on time with their competition numbers attached to their uniform.
- In the Call Room athletes will be expected to demonstrate that their competition uniform, singlet and numbers, shoes and other equipment comply with the completion rules.
- Please do not take unnecessary items into the Call Room like mobile phones, ipods etc. as they will be confiscated.Any item confiscated in the Call Room can be reclaimed from the clothes collection area (Appendix 2) provided your accreditation card is shown.
- Athletes will proceed to the start of their event from the call room ACCOMPANIED BY A CALL ROOM JUDGE OR FIELD EVENT OFFICIAL. Athletes who proceed to the event not accompanied by a judge or official may not be allowed to start.
- The closing Call Entry Times at the call room are (prior to scheduled event starting times):
 - Jumping and throwing events: 40 min.
 - Running events: 30 min.
- The composition of a team and the order of running for a relay must be submitted to the Technical Information Centre (TIC)(Appendix 4) using the Relay running order declaration form not later than 90 min prior to relay scheduled event starting times. The Relay running order declaration form will be issued right after Technical Meeting.
- This time allows for marshaling and movements to the competition site. The remainder of the time may be used to complete the warm up at the competition site where the competition site is not in use (under supervision of the officials).
- If an athlete is already, or is likely to be, competing in another event at the designated call time, the athlete or his/her team official must notify the Call Room of this circumstance prior to the designated call time.
- Athletes who will fail to be at the call room on time will be suspended!
- Warm up: Athletes may warm up in the designated area.
- Starting Blocks: must be used by all athletes in the 100m, 400m and relay. These will be supplied by the venue. No private blocks will be permitted.
- False start: Each athlete responsible for a false start will be disqualified (IAAF 162.7).
- Shoes: The sole and heel of the shoe may be constructed so that they can accommodate up to 11 spikes. Any number of spikes between 0 and 11 may be used, but the number of spike positions cannot exceed 11. The protecting portion of the spike should not be longer than 9 mm. Exception is high Jump, where the length of more than 12 mm is not allowed. The spike point must be so designed, that at least half of the length measured from the tip of the spike, fits into a square mold with straight sides of 4 mm.
