For **each participating relay team a participant list has to be submitted to the Organizing Committee** (via email to office@unitedworldgames.com), which will be checked, signed and handed out to the respective team representatives upon checking in in Klagenfurt. The coaches are requested to carry the signed squad list, as well as **athlete's licences or IDs of all athletes with them to all events.**

Upon request, every athlete must be able to **verify his/her identity** by showing a valid photo ID card. In case of a suspected violation of age groups or the use of an ineligible athlete, participant list and ID have to be checked in coordination with the judges/tournament coordinators. A **violation** results in an automatic **disqualification** for the concerned athletes.

4. Insurance, Disclaimer & Theft

It is up to the responsible authorities and coaches of each team to make sure that their athletes and all the participants are insured for the days of the tournament during the United World Games. The organizers do not assume any kind of liability in case of illness, accidents or theft. The organizers can merely prompt an ambulance transport. Should an injured person not be insured or should his homeland have no agreement for medical care in Austria, the person has to cover the costs of the treatment on his or her own.

With their participation the athletes accept the disclaimer of warranty for any kind of damage. No claims can be asserted against the Organizing Committee, the Event Sponsors, the community of Klagenfurt, real owners or their representatives regarding damage or injuries.

Every athlete has to make sure that he or she is fully physically capable of participating without any medical objections.

For all players: Do not leave any valuable things and/or expensive clothing in the locker rooms.

5. Final Remark

The organizers of the United World Games are at the understanding that each participant and team leader knows all the items mentioned in these regulations.

IMPORTANT: In emergencies and during the night-time the emergency number 144 must be called. Please also note that if an injured athlete has to be transported to the hospital with an ambulance, a coach of the affected team must always go with him.
