### WMRA Nations Cup – 31 October 2021

In 2021, due to the Corona pandemic situation, for the second consecutive year, a World Mountain Running Championships was not held. The member federations have selected teams, the runners were working hard to be ready for the most important Mountain Running race of the year. To enable at least one international race in the season for National teams, the WMRA decided to organize a new competition, called the **WMRA Nations Cup**.

This event is a one-time event to be held only in 2021.

Due to the short time, there was no time for normal bidding procedure, so the WMRA decided to offer this event to some traditional Mountain running events that are planned for this October. Among a limited number of races, WMRA decided to assign the event to the experienced organizers in Chiavenna/Italy.

Here are the details of the event:

- Event name / Venue: The Val Bregaglia Trail / Chiavenna, Italy in the North.
- Date: Sunday, 31<sup>st</sup> Oct 2021
- Course: cca 19km; +650m, -1000m for Women and Men
- Entries: up to 24<sup>th</sup> October; via the event web page
- Participation: WMRA member federations; women's; men's team (4 to run, 3 to count)
- Accommodation & travel costs: Teams will be responsible for costs (with a discounted cost by LOC eg transfers / hotel). Cost of accommodation will be advised by LOC.

You can find attached the WMRA Regulations. More details will be also available asap on the WMRA web site.

Let me remind you, that:

- 2 weeks ago, a successful World Masters MR Championships was held in Telfes/AUT where more than 550 runners from 20 countries participated.
- In the 2021 World Cup, ten races in seven countries were already held. We hope that all 16 will be organized as planned. World Cup current classification: <https://ranking.wmra.info>
- Current World ranking scoring is also available online on the WMRA web page: [Link](#)
