UNIVERSALITY PLACES (UNQUALIFIED ATHLETES)

- a. NOCs with no male or female qualified athlete or relay team will be allowed to enter their best ranked male athlete or their best ranked female athlete in one athletic event, with the exception of the Combined Events, 10,000m and 3000m Steeplechase.
- b. This applies equally to unqualified female entries from an NOC with qualified males, and vice versa.
- c. Acceptance of unqualified entries in Field Events and Road Events will be at the discretion of the World Athletics Technical Delegates, based on the technical standard of the athlete and the numbers of qualified athletes in the respective event. In order to allow the World Athletics Technical Delegates to assess the technical level of such athletes, a specific application form indicating the event in which the entry is requested and the proof of the technical level and international participation of the nominated athlete must be submitted to World Athletics. World Athletics shall subsequently confirm, in writing to NOCs, with a copy to the Tokyo 2020 Sport Entries Department, the approval or otherwise of the entry of the specified athlete(s).
- d. The application forms of all unqualified athletes must be submitted by NOCs to World Athletics no later than 21 June 2021. For Marathon and 50km Race Walk the application form for unqualified athletes must be submitted by NOCs to World Athletics no later than 23 May 2021.

E. CONFIRMATION PROCESS FOR QUOTA PLACES

Following the end of the qualification period, World Athletics shall confirm the number of athletes having achieved the entry standard plus the approved unqualified athletes and shall subsequently determine the athletes qualified by virtue of their World Athletics World Rankings position. The final list of qualified athletes and relay teams for each event shall be published on the World Athletics website on 1 July 2021. NOCs shall enter all athletes to Tokyo 2020 by the entries deadline of 5 July 2021.

F. REALLOCATION OF UNUSED QUOTA PLACES

REALLOCATION OF UNUSED QUALIFICATION PLACES

NOCs must inform World Athletics of their intention to decline a quota place, whether in individual or relay events, by the closing date of their respective qualification periods, i.e. 31 May 2021 for the Marathon and 50km Race Walk, and 29 June 2021 for all other events. Notifications must be sent to events@worldathletics.org by the Member Federation concerned, with a copy to its respective NOC, by no later than midnight Monaco time on the relevant date. Quota places declined after the above deadlines will NOT be reallocated.

If an allocated individual quota place is declined by an NOC, the quota place will be reallocated to the next best ranked athlete in the same event according to the World Athletics World Rankings, respecting the maximum quota by NOC per event. In case of tie (same world ranking position and ranking score), this will be resolved in favour of the athlete with the next best performance score.

If an allocated team relay quota place is declined by the NOC, the quota place will be reallocated to the NOC with a relay team which has recorded the next fastest time in the same event in accordance with World Athletics` criteria for the qualification of relay teams.

G. GENERAL PRINCIPLES REGARDING THE USE OF RESERVE AND P ALTERNATE ATHLETES

RESERVE ATHLETES

Reserve athletes are competing athletes who have an Aa accreditation and who are entered by their NOC in a specific event where they have qualified.

As reserve, they may be selected to replace another entered athlete in a different event until the time of the final confirmation for that event provided:

- they were nominated as reserve for that event at the time of the final entry deadline
- they have achieved the entry standard or have qualified by virtue of their World Athletics World Rankings position
- that the NOC quota for that event is respected

Reserve athletes must comply with the same eligibility rules as competing athletes as described in above paragraph **C. Athlete Eligibility**.

AP ALTERNATE ATHLETES

AP alternate athletes are non-competing athletes, and are not included within the athletes' quota as described in paragraph **B. Athletes Quota**.

If an NOC has entered three (3) athletes in one event, they are entitled to nominate one (1) AP alternate athlete for the same event provided:

- he/she was nominated as alternate for that event at the time of the final entry deadline
- he/she has achieved the entry standard or has qualified by virtue of the World Athletics World Rankings position

P alternate athletes must comply with the same eligibility rules as competing athletes as described in above paragraph **C. Athlete Eligibility**.

More detailed information about entitlements and quotas can be found in the '*Accreditation at the Olympic Games – Users Guide*'. P alternate athletes can only become competing athletes as per the conditions outlined in the '*IOC/Tokyo 2020 Late Athlete Replacement policy*'.
